*Though the words are well-known, there are a variety of tunes to which this carol is sung.*

*This is the traditional UK version - it might be unfamiliar to you, so do try it out - it's delightful.*

*To add variety, why not play a different line each verse - they are of comparable difficulty.*

*There is just a hint of an almost fugal entry (denoted by accents) in each part in turn in the second section.*

*Enjoy this interesting twist to an old UK favourite tune.*
